www.mtmdesignbd.com

Introduction

We a group of vastly experienced merchandisers has started mTm Design Ltd. in 2018 to provide better merchandising services & competitive price with quality to the buyers.

mTm Design Ltd. is specialized in the sourcing, product development and supply chain management of apparel, accessories and home products. Currently we are exporting to Europe, America & Asia.

About Us

We are business partner with some comprehensive and resourceful manufacturing facilities in Bangladesh. Our experience and expertise, assist our clients in negotiating best deals by acquiring competitive prices. We can guarantee that you will get the best merchandise at the best price because we harmonized a perfect relation between price and quality. We also guarantee and monitor high standard of quality and commitment.

Our motto is to ensure ethical sourcing, better price, on-time shipment with quality to all our business partners. We believe that “ One worker mean one family “ that’s why we share our profit with our business partners and workers to ensure a healthy working environment.

We also involve with some social activities. We share a percentage from our margin to work for rural people’s development especially for physically challenged people & child education.
